Monday Sept 11th
Comed in with 7 1/2 E winds
Black Island point just a corner
+ 9 am had light all in sight.
Day light. Sohr some light on
low slope in toward point just
tacked heading E. S. E. Every day
at 10 am. smooth + strong breeze.
Then we sailed on boat all night
found out + now we have a boat
bound in hard line beating
with the wind clear and 7 1/2 E
winds at 10 A.M. 9 30 ~~00~~ 11
Pilot - read on board working
up the bay wind from 7 1/2 E to
E. S. E. No sleep for 2 night - dead
tired 6 40 inside of the fort with
air from E fair tide 7 1/2 anchored
in deep hole pulled all sails.
